

Momentum Academy

February 2024

Dear Distinguished Partner,

Thank you for being a champion of Momentum Academy, a public charter school that has impacted the lives of more than 2,400 scholars in the City of St. Louis over the past 11 years. Our Mission is to promote academic excellence in an environment of mutual care and support that builds **character**, **confidence** and **community** among all of our scholars so that they reach their full potential.

Character, Confidence and Community includes opportunities for enrichment that allow us to live our mission outside of the classroom. As we remain intentional about supporting our scholars, we will host the 5th Annual Momentum Gala **"A Golden Moment"** on Friday, April 19, at the Noble STL (3611 South Grand Blvd. St. Louis, MO, 63118). This event will be a fundraising opportunity where your support for the event will go directly towards providing more opportunities and materials for extracurricular activities in the 2024-2025 school year. We will continue to celebrate the educators who serve our community while ensuring scholars remain at the center of all the actions we take. **We invite you to join us in partnership as an Event Sponsor.** Your support will allow us to continue our tireless pursuit of our Mission.

Attached you will find our sponsor levels; however, we encourage you to donate in a form that works best for you. Attendees are also invited to participate in the silent auction during the event. If you would like to support in a different manner, or become one of our monthly donors, please do not hesitate to reach out to Executive Assistant, Maria Prete at maria.prete@momentumacademystl.org.

Miranda Ming
Executive Director
