

February 4, 2025

Dear

Momentum Academy is a public charter school in St. Louis City, serving over 600 scholars from some of the highest-need neighborhoods in South City. As a 100% Free and Reduced Lunch school, we are dedicated to providing a holistic educational experience that empowers our scholars to reach their full potential.

Our mission is to **"build character, confidence, and community among all of our scholars so that they reach their full potential."** For over 12 years, we have proudly served our community by fostering success in and out of the classroom. Most recently we were honored to be recognized by the St. Louis University Center for Policy Research in Missouri Education (PRIME) as one of the top 20 schools for academic growth!

Experiential learning is integral to our mission, helping scholars develop essential life skills while enhancing their confidence, character, and sense of community. This year, we aim to raise \$20,000 to directly support extracurricular programming.

We invite you to join us as an Event Sponsor for our Annual Gala on April 18, 2025. Your support allows us to continue pursuing our mission while providing transformative opportunities for scholars outside of the classroom.

Attached, you will find our sponsorship levels, but we welcome donations in any format that works best for you. In addition to sponsorships, we will host a silent auction during the Gala and are seeking donations of gift baskets for the raffle.

If you would like to contribute in another way or become one of our monthly donors, please reach out to our Executive Assistant at maria.prete@momentumacademystl.org.

Sincerely

Miranda Ming
EXECUTIVE DIRECTOR

Thank you for being a champion of Momentum scholars!

Sponsorships may be purchased online at <https://square.link/u/Ur6ivTry>
or sent via mail to:
